Keynote

Selection and Care of Fine Oriental Rugs

Rotarian **Jarrold Horton** is a lifelong resident of Shreveport who received his degree in business management from Centenary College in 1992. While there he was with the Centenary Choir.

Jarrold and wife Michele own a local pest control company, Anti-Pest, which was previously owned by J.T. May, an active and long term member of our club. Jarrold has been with Anti-Pest for 32 years, even before he became an owner and before he graduated from Centenary. In 2020 Jarrold was appointed to serve on Louisiana's Structural Pest Control Commission.

Since 2013 Jarrold and Michele have owned Porter's Carpet Cleaners with his brother Shawn Horton. After purchasing this company from another local family, the Hortons invested in new equipment designed to provide state of the art cleaning of oriental rugs with a focus on correcting problems caused by pets. Both Jarrold and Shawn went through extensive training to become Louisiana's only certified master rug cleaners.

Since joining our club in 2013, Jarrold has served on our Board of Directors in 2016-2017 and again this year 2022-2023. He is a Paul Harris Fellow and serves on several committees. He and Michele have three grown children. They are members of Broadmoor Baptist Church where Jarrold plays bass guitar in the contemporary worship service.
